

# Intro to PGR Studies Q&A: Public engagement and outreach

---

# Regular public events

## Science Café

- casual café talks held every month at Porter's
- tw: @scicafecardiff

## Soapbox Science

- annual event for women in STEMM to present to the public
- great volunteering opportunities
- tw: @soapboxscience

## Pint of Science

- annual festival of science with themed events
- grass-root non-profit based in local venues
- tw: @pintofscience

## Discussion groups

## STEMLive!

- annual, two-day event run by the university
- interactive activities with school children themed around space exploration
- paid volunteering

## Monmouth Science Initiative

- semi-regular school-based events for gifted students in South Wales

## Nuffield Research Placements

- extended project with a student from a low-income background
- fantastic mentoring potential
